Mission Statement

Our Lady of Mercy Parish, founded in 1954, is a Roman Catholic community that shares in the life of Jesus Christ, obedient Father, and guided by the Holy Spirit. As a faith community, our mission is: to celebrate the sacraments and to proclaim the Word of God; to minister the spiritual and temporal needs of our parish through prayer, works of charity, personal witness, education, and evangelization; to welcome all people to active participation in our parish community; and to preserve the faith of the church amidst a changing world and diverse social climate. We commit ourselves to this mission, under the patronage and protection of Mary, Mother of Mercy, with faith, hope and love in the Father, Son, and Holy Spirit. May 1999

Welcome New Parishioners!

All new parishioners should formally register with the parish by visiting the Parish Office and filling out a registration form. If you move away, please notify the Parish Office.

Sacraments of Initiation

Baptism for infants is usually celebrated on the last Sunday of each month. All parents must attend a parent enrichment session prior to the Baptism of their child. Please contact the Pastoral Minister, Marie Dancy, at the Parish Office to sign up for the class. It is recommended that parents attend these sessions during pregnancy. Preparation of all parishioners for Confirmation and First Communion is an integral part of living the Catholic Life. Please call the Parish Office for more information and assistance.

Sacrament of Reconciliation and Confession

Parishioners are encouraged to experience sacramental forgiveness on a regular basis. Confession is available on Saturdays at 3:00pm and by appointment. If you wish to set up an appointment please call the office to speak with Father Paul. Special communal reconciliation services are celebrated during Advent and Lent.

Weddings

The policy of all Catholic parishes in the state of New Hampshire is that couples must contact their parish priest at least 6 months prior to the intended wedding date. Couples should never make any final arrangements (especially for the wedding reception hall) prior to meeting with the parish priest. A Marriage Preparation Program is also required. A parish Wedding policy brochure is available upon request.

Sacrament of the Sick

If possible, please do not wait until a critical moment to call a priest for the Sacrament of the Sick. Anyone who is seriously ill may receive this sacrament of healing and hope. It is recommended that family members be present for the celebration of the Sacrament of the Sick.

Hospital Visitation

A Catholic Chaplain is available at all our local hospitals. Please contact the Parish Office if you wish a parish priest to visit a family member of the parish who is hospitalized.

Outreach and Home Ministry

Please call the Rectory to inform us in the event you are homebound and would like to receive the Eucharist or the Sacrament of the Sick or that you need other ministry.

Miracles of Faith

Besides being cured, what do Nathan (first reading) and the leper who thanked Jesus (Gospel) have in common? Both of them began to believe. Nathan proclaims Israel's God to be the only God; he even wants to worship the LORD in his own country. The only leper who returned to thank Jesus was "glorifying God in a loud voice" (Luke 17:15). It makes me wonder, what miracles do we see that help us grow in faith? For an answer, we can look at a second thing they had in common: they both asked for help. Sometimes we get caught up in self-sufficiency mode, thinking we have to handle all our problems by ourselves. We may miss out on good solutions by not asking for help. Help often comes from someone who shows us a way through our problems, without solving them for us. Perhaps if we talk about the problem with another person, the solution will become obvious to us. If you think asking for help is a sign of weakness, you may be missing a chance for God to act through one of your friends and give you support. And, of course, you can ask God for help in prayer, giving God the chance to speak to your heart with the answer or the encouragement you need.

Miracles don't just happen to other people. We may have friends who help us in times of need or inspire us with their faith, but we have to decide to make a leap of faith ourselves. The third thing that Nathan and the leper did in common was express their faith. You can spend your whole life thinking that you are a Christian, but if you never express that faith, it will be no more than a theory. Scientists work with theories all the time, but until they write out the math or do the experiments, the theory is never proven. St. Paul in the second reading, for example, was suffering in prison, but he didn't mind because his suffering demonstrated the importance of Jesus' message to him. So he wrote from prison in the hope that other Christians would be encouraged in their faith. Perhaps you know of someone who inspired you with their faithfulness and dedication. Having a friend who helps us grow in faith can be a very nice miracle indeed.
